Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used an out-of-state pharmacy  
to supply my compounded PMS medication for  
10 years now. With this medication, I now  
have a stable hormone level & am able  
to function normally. Before I got this  
medication I was very irate & unable  
to function on a daily basis.
